About Turning Point USA

Turning Point USA is a 501(c)3 non-profit organization founded in 2012 by Charlie Kirk who was only 19 at the time. The organization's mission is to identify, educate, train, and organize students to promote the principles of freedom, free markets, and limited government. Since its founding, Turning Point USA has embarked on a mission to build the most organized, active, and powerful conservative grassroots activist network on college campuses across the country.

With a presence on over 2,000 college and high school campuses across the country, Turning Point USA is the largest and fastest-growing youth organization in America.
