Turning Point USA Welcomes Podcast Host and Cultural Commentator—Jobob—as Newest TPUSA Contributor

Jobob brings comedy, wit, and cultural acumen to TPUSA's new Livestream Activism Hub, TPUSA LIVE, as the newest contributor on TPUSA's expanding team of patriotic commentators.

PHOENIX, Jan. 12, 2022—Turning Point USA is proud to announce that podcast host and cultural commentator, Jobob, has joined the TPUSA team as the newest contributor to join TPUSA LIVE, the organization’s new livestream activism hub.

After almost a decade working as a political consultant and communications director for various political campaigns around the country, Jobob decided to come out from behind the scenes of the political consulting world and began hosting *Daily Caller Live with Jobob* across all *Daily Caller* platforms.

Since beginning as a commentator, Jobob has gained an audience by attracting those in his personal favorite cultural category: conservatives who don’t know they are conservatives yet.

“Jobob’s deadpan and often sarcastic take on the news of the day will bring comedy and wit to an often dismal news cycle,” says Marina Minas, Turning Point USA Chief Marketing Officer. *“Jobob is one of the leaders of a whole new generation of commentators who have the ability to break through with millions of Americans who are about to realize they share more in common with the conservative movement than they suspected. Jobob’s unique takes will help many young people see the world from a whole new perspective.”*

Expect Jobob on TPUSA LIVE regularly as he exposes the left’s most radical and ridiculous policies, charts a path forward for freedom-loving Americans, and exchanges light-hearted insights and conversation with the rest of TPUSA’s growing team of contributors.

Catch Jobob on [TPUSA LIVE](#) and on all social media platforms.
