### **TPUSA Announces Two Brand-New Contributors: Conservative Commentator Star Lauren Chen and Winter Olympian Anthony Watson**

*Lauren Chen's online social media following has garnered almost 80 million views while athlete Anthony Watson will soon host an all-new campus-based show powered by TPUSA*

**PHOENIX, July 18, 2022**—Turning Point USA continues to increase its cultural influence on high school and college campuses, engaging students both in-person and online, by signing two brand-new young conservative TPUSA Contributors: conservative commentator and viral YouTube personality, Lauren Chen, and winter Olympic athlete, Anthony Watson.

### **Lauren Chen**

Lauren Chen is a conservative millennial YouTuber, blogger, political commentator, and TV host. Born in Ontario, Canada and raised in Hong Kong, Lauren earned a Bachelor of Arts in Political Science with a Minor in Middle-Eastern Studies and Arabic. She has starred in popular conservative shows including *Pseudo-Intellectual* on Blaze TV and *Roaming Millennial: Uncensored* on CRTV. Lauren currently stars on her own YouTube channel, *Lauren Chen*, which has garnered over half a million subscribers and amassed almost 80,000,000 views. She has also appeared on *Fox News*, *OANN*, *Newsmax*, *The Daily Wire*, *Rebel Media*, and *PragerU*.

### **Anthony Watson**

Anthony Watson is a former 2018 Winter Olympian who represented Jamaica as the nation's first-ever skeleton athlete. However, Anthony was "canceled" when he became passionately outspoken about his conservative values — losing all of his Olympic sponsors as a result. Confronting the intolerant Leftist ideology sent Anthony on a new contest: to fight against the Culture War. By visiting many of our TPUSA chapters on both high school and college campuses, Anthony encourages students through motivational speaking that the choice of standing for the truth is well worth the sacrifice. Anthony enjoys traveling, learning about different campus traditions, meeting new TPUSA student activists, and plans to visit many more campuses as our TPUSA's newest Contributor.
