Turning Point USA Announces Live Free Tour Across College Campuses

The Live Free Tour is visiting college campuses across the nation featuring TPUSA Founder and CEO Charlie Kirk and Candace Owens

PHOENIX, Aug. 31, 2022—Turning Point USA is empowering college students across America to combat radical leftwing propaganda and defend conservative values in the classroom, on the court or field, and online by launching a brand-new event for the Fall 2022 semester, the Live Free Tour.

The Live Free Tour includes tour stops featuring Turning Point USA Founder and CEO Charlie Kirk — with additional stops featuring Blexit co-founder and former Turning Point USA Alum, Candace Owens — taking the conservative message to eight student chapters that are actively engaged at the center of the American Culture War. The campuses participating in The Live Free Tour include:

| | | |
|------------|--|------------------|
| October 3 | University of Delaware | Newark, DE |
| October 12 | University of Texas | Austin, TX |
| October 13 | Michigan State University | East Lansing, MI |
| October 17 | North Dakota State University | Fargo, ND |
| October 18 | University of Missouri - Kansas City | Kansas City, MO |
| October 20 | Florida State University | Tallahassee, FL |
| October 25 | University of North Carolina - Charlotte | Charlotte, NC |

Each stop will celebrate conservative values central to restoring the American republic such as freedom of speech, free markets, fiscal responsibility, limited government, personal accountability, the free exchange of ideas, and more.

“Crushing conservative leaders and silencing speakers that diverge from the dominant progressive orthodoxy are central features of most college campuses today, but it’s nothing new, sadly. What is new, is that these students have had their freedom robbed from them due to lockdowns and other draconian measures; they are watching as the American dream is further and further out of reach; and their leaders continually tell them what to say, think, and feel. This is exactly why we have chosen to immediately launch the Live Free Tour at the beginning of the Fall 2022 semester to empower them to reclaim their American inheritance. This tour will help equip students with the truth about this chaotic political and cultural moment as they head into the school year,” said Kirk.

Tickets for each leg of the Live Free Tour featuring Charlie Kirk or Candace Owens can be purchased at TPUSA.com/LiveFree.

Every tour stop will also be streamed live and available for free online at the Turning Point USA YouTube Channel: YouTube.com/TurningPointUSA
