FIRST SPEAKER DROP: Turning Point USA Announces First Round of AmericaFest 2022 Speakers

PHOENIX–Sept. 27, 2022 – Turning Point USA (TPUSA) is excited to announce the first group of confirmed speakers for the second-annual AmericaFest, taking place in Phoenix, AZ, December 17-20.

“In its inaugural year, AmericaFest became the standard bearer for conservative events for the entire movement,” says Charlie Kirk, Founder and CEO of TPUSA. *“We had over 10,000 attendees in year one. We’re looking to go even bigger and better in year two. We expect 15,000 attendees, some of the biggest country music performers in the country, live streaming some of America’s most watched shows from the mainstage, and with this first speaker drop and many more to be announced soon, I think it’s clear, AmFest 2022 is well on its way to surpassing everyone’s expectations.”*

Headlining speakers are Steve Bannon, Charlie Kirk, Tucker Carlson, Donald Trump Jr, as well as Tim Pool’s massively popular streaming show “Timcast IRL” LIVE from the mainstage, and many more. AmericaFest 2022 will be a groundbreaking event featuring a variety of voices including firebrand commentators Candace Owens and Allie Stuckey, Fox News host Kayleigh McEnany, as well as Mike Lindell and Senator Josh Hawley.

AmericaFest is a four-day experience featuring a multi-night concert and a combination of political and cultural commentary. AmericaFest speakers will highlight American values while celebrating American greatness. This one-of-a-kind event is dedicated to inspiring attendees about the American project and connecting them with a new network of like-minded individuals.
