TPUSA Faith is Inspiring Churchgoers to Uphold American Values In All-New Series: Free America Tour

The Free America Tour is the first nationwide movement visiting houses of worship to spread conservative values

PHOENIX, Sept 7, 2022—TPUSA Faith is officially launching the “Free America Tour” — America’s very first national tour dedicated to supporting churchgoers and religious leaders who are ready to boldly uphold American values, rooted in the Judeo-Christian heritage of the founding of the nation. TPUSA Faith believes that the American church is the last firewall for freedom as it’s the pastors and the congregants in the pews who most successfully resist the mainstream pressure of conforming to destructive leftwing ideologies.

The “Free America Tour” will feature moving testimonies from TPUSA Founder and CEO Charlie Kirk and his guests as Mr. Kirk travels to houses of worship celebrating religious liberty, freedom of thought, personal responsibility, love of neighbor, and so much more. Tour stops include:

October 19	Kings’ Church	New York, NY
October 24	Sunset Avenue Church	Asheboro, NC
October 27	Beachcities Church	Huntington Beach, CA
October 29	Valley Assembly Church	Spokane, WA

“Nothing like this has ever been done in the conservative movement nationwide before — activating and inspiring entire congregations to faithfully defend American values — and Turning Point USA is proud to be the first to do it,” said Turning Point USA Founder and CEO, Charlie Kirk. *“The separation of Church and States, which is not in the Constitution at all, has brought us leftwing secularism. It’s time to return to the values of our Founding Fathers, and the Free America Tour will do exactly that.”*
