## TPUSA WELCOMES NEW CONTRIBUTOR

SAVANAH  
HERNANDEZ

### Turning Point USA Signs Savanah ‘Sav Says’ Hernandez as Newest Contributor

**PHOENIX—Sept. 27, 2022** – Turning Point USA (TPUSA) is excited to announce it has signed Savannah Hernandez, whose content is often published alongside the “Sav Says” moniker, to TPUSA’s growing contributor roster of content creators. Hernandez is an independent reporter and political commentator who will offer commentary, analysis, and frontline footage to TPUSA and its shows.

Hernandez’ journalistic work often goes viral on social media, and because of her mission to expose the truth regardless of how controversial it may be, she was permanently banned from Twitter in 2020. On multiple occasions in recent years, Hernandez’s content has been front and center to some of the most important political and cultural events in America including the current border crisis and the 2020 BLM riots. Across all platforms and channels, her content has been watched, heard, and downloaded over 20 million times, a tally that is growing rapidly as Hernandez travels the country to cover the stories she believes will resonate most widely with concerned Americans of all backgrounds.

Hernandez will be a recurring guest on “Frontlines with Drew Hernandez,” and her man on the street interviews and original investigative content will be featured prominently on Turning Point

USA social media. No topic will be off limits and no location too far as she brings viewers an unseen perspective on the current events shaping America and the world.
