Turning Point USA Releases BORDER BATTLE: Detailing the ‘War’ Raging on America’s Southern Border

The limited six-part docuseries event will air exclusively on SalemNow beginning Friday, Oct. 7

PHOENIX, Oct. 5, 2022—TPUSA is proud to announce the release of **BORDER BATTLE**, a special, limited docuseries event available starting Friday, Oct. 7th - Nov. 1, exclusively at SalemNow.com, Salem Media Group’s online streaming platform.

The entire series is available for purchase on Salem Now for \$19.99, or \$9.99 for Turning Point USA students and community members.

BORDER BATTLE is a docuseries that chronicles the horrifying conditions on America's Southern Border and the consequences of decades of Government neglect, leaving the border in ruins—and it's only getting worse. The border has become one of the most controversial, divisive, and explosive topics in American life, and rightly so. A debate that once stayed relatively isolated to states like Texas and Arizona, has exploded into a national crisis as every state is now a border state. Our mission is to expose the border crisis for what it is, a catastrophe of profound scope. This series will place the American people on the frontlines of the crisis with exclusive footage of what happens in the lives of people living near the border, crossing the border, the border patrol agencies, the illegal drug trade, the human traffickers and the economic and societal fallout that illegal immigration has on the United States of America.
