Turning Point USA Announces Spring 'Live Free Tour' Across College Campuses

The 'Live Free Tour' is visiting college campuses across the nation this spring semester featuring TPUSA Founder and CEO Charlie Kirk and Candace Owens

PHOENIX, Jan. 24, 2023—Turning Point USA is empowering college students across America to combat leftwing indoctrination and defend conservative values in the classroom, on the court or field, and online by launching a continuation of the Live Free Tour in the spring 2023 semester.

"If an idea is never spoken out loud, eventually it's never thought of again, either. If we lose the ability to express ourselves freely, uninhibited by administrators, professors,

coaches, DEI executives, and content moderators, America would cease to be a free nation,” says Charlie Kirk, Founder and CEO of Turning Point USA. “The Live Free Tour is all about challenging contemporary ‘truths’ with timeless Truth, with ideas they don’t get to hear everyday in the ideological silos of America’s institutions of higher education.”

The Live Free Tour includes four stops featuring Turning Point USA Founder and CEO Charlie Kirk — with additional stops featuring Blexit co-founder and Turning Point USA alumna, Candace Owens — taking the conservative message to nine student chapters that are actively engaged in the daily life of their university. Each tour will also open with TPUSA Contributor and comedian, Jobob.

The campuses participating in The Live Free Tour include:

March 1	University of California, Santa Barbara	Santa Barbara, CA
March 8	University of Kentucky	Lexington, KY
March 9	University of Illinois	Chicago, IL
March 14	University of California	Davis, CA
March 20	Rutgers University	New Brunswick, NJ
March 21	Louisiana State University	Baton Rouge, LA
March 22	Ohio State University	Columbus, OH
March 27	Texas Christian University	Fort Worth, TX

Each stop will celebrate conservative values central to restoring the American republic such as freedom of speech, free markets, fiscal responsibility, limited government, personal accountability, the free exchange of ideas, and more.

“These events are also an opportunity for like-minded students to connect and get to know about our campus chapters,” adds Kirk, “But they also help train and equip those students who have been silent on how to engage in debate, discussion, and discourse, respectfully, with those who disagree. All change must start with speech, and that’s what we’re modeling.”

Tickets for each leg of the Live Free Tour featuring Charlie Kirk or Candace Owens can be purchased at [TPUSA.com/LiveFree](https://tpusa.com/livefree).

Every tour stop will also be streamed live and available for free online on both YouTube and Rumble.
