## Turning Point USA Announces Spring 'Free America Tour' Dates and Locations Presented by TPUSA Faith

*The 'Free America Tour' is visiting churches across the nation this spring semester featuring TPUSA Founder and CEO Charlie Kirk along Pastor Rob McCoy, Pastor John Amanchukwu, and Graham Allen*

**PHOENIX, Feb. 22, 2023**—Turning Point USA's *Free America Tour* is back this spring, and will be heading to churches across the country to encourage and inspire Christian communities nationwide to reach beyond the four walls of the church and engage in the public sphere.

The *Free America Tour* is dedicated to supporting churchgoers as well as pastors and church staff who are ready to courageously uphold Christian values boldly and publicly in an American culture increasingly hostile to them.

Charlie Kirk, Founder and CEO of Turning Point USA:

*“Our prayer is that Christ is glorified and honored through this tour. We pray that those who attend will be renewed, encouraged, and empowered by the Holy Spirit to stand up for biblical truth in their local communities. Nothing like this has ever been done in the conservative movement nationwide before—activating and inspiring entire congregations to faithfully defend American values—and Turning Point USA is proud to be the first to do it. The misguided idea of separation of Church and States, which is not mentioned in the Constitution, has helped to bring us leftwing secularism. It’s time to return to the values and the faith of our Founding Fathers, and the Free America Tour will do exactly that.”*
