TPUSA WELCOMES NEW CONTRIBUTOR

CHAYA RAICHIK
"LIBS OF TIKTOK"

Turning Point USA Signs Chaya Raichik, Creator of 'Libs of TikTok' as Newest Contributor

PHOENIX—June 12, 2023 – Turning Point USA is excited to announce Chaya Raichick, creator of the popular “Libs of TikTok” handle, as the newest addition to its growing roster of contributors.

The success of her mega-viral online platform, which has amassed over 2.5 million followers on Twitter alone, has allowed Chaya to boldly fight back against radical gender ideology, childhood

mutilation, gratuitous sexual education curriculum in government schools, pornographic books in children's libraries, and the censorship and silencing of voices who push back. The content of her online advocacy has been the catalyst for realworld change, inspiring legislation that bans sex change operations for minors; ends sexualized, adult-themed entertainment for children; removes sexually explicit literature from schools; and raises awareness on issues plaguing our nation's education system.

Chaya will be collaborating with TPUSA across social media channels and releasing all-new, original content every month to further educate young people and everyday Americans about the insidious push by the left to erode traditional American values and indoctrinate the next generation.
