## Turning Point USA Announces Fall 'Live Free Tour' Across College Campuses

*The 'Live Free Tour' is visiting college campuses across the nation this fall semester featuring TPUSA Founder and CEO Charlie Kirk and BLEXIT Founder Candace Owens*

**PHOENIX, Aug. 23, 2023**—Turning Point USA is empowering college students across America to combat leftwing indoctrination and defend conservative values in the classroom, on the court and field, and online by announcing all-new tour stops for its upcoming Live Free Fall 2023 Tour. This is a continuation of the massively successful spring semester Live Free tour which drew record in-person crowds and online viewership.

TPUSA Founder and CEO, Charlie Kirk:

*“We started the Live Free Tour series at the height of COVID because healthy, low-risk college students were forced to learn online, get vaxxed to enroll in classes, and wear masks on campus. And like clockwork, the regime media is ramping up their COVID scare tactics again, and masks are making a comeback. But our tour will be about every major issue affecting this generation and the country they inherit. This is the most depressed, suicidal, drug addicted, and confused generation in history. There is a hunger on campus for the ideas we’re sharing. Our spring tour was the most attended in our organization’s history and we fully expect our fall dates to be even bigger. We welcome all who agree and disagree to attend our events and hopefully, we’ll help change some minds along the way.”*

Join Charlie Kirk, Candace Owens, and thousands of others who aren’t afraid to speak up at a tour stop near you!

The campuses participating in The Live Free Tour include:

October 2	San Jose State University	San Jose, CA
October 10	University of Central Florida	Orlando, FL
October 12	Georgia Tech	Atlanta, GA
October 18	University of Texas San Antonio	San Antonio, TX
November 9	University of California Los Angeles	Los Angeles, CA

Each stop will celebrate conservative values central to restoring the American republic, such as freedom of speech, free markets, fiscal responsibility, limited government, personal accountability, the free exchange of ideas, and more.
