## Turning Point USA Releases ALL-NEW 'Campus Crashers' Series Starring Stephen Davis & Anthony Watson

*'Campus Crashers' is here to fight the culture war and defend conservative values by hitting the road and "crashing" campuses all across the country where American students are rising up!*

**Phoenix, Oct. 25, 2023**– Exciting news from Turning Point USA's dynamic duo, Stephen Davis and Anthony Watson, who are taking center stage in this brand-new Original TPUSA production, "Campus Crashers." Together, they are leading the charge in the culture war, rallying alongside our dedicated Turning Point USA chapter members to champion conservative values right on their college campuses.

Watson and Davis are hitting the open road in their one-of-a-kind van, stopping at Turning Point USA chapters throughout the nation. Their mission is to shine a spotlight on the unsung heroes of our movement – students who are unapologetically defending conservative principles within a often hostile campus environment.

In a world where cancel culture looms large, and where the courage to express one's beliefs can be a daunting task, "Campus Crashers" emerges as the beacon of hope for every student who has ever felt disheartened, disillusioned, or alienated due to their political convictions.

From heart-pounding paintball battles to high-octane car races and hilarious zorb ball soccer matches, each episode of this exhilarating series delivers thrilling adventures. But beyond the excitement, "Campus Crashers" has a deeper purpose: It's a celebration of the students who are stepping up to win back American culture and safeguard our beloved nation for another generation.

"Campus Crashers" is proudly powered by Turning Point USA, an organization dedicated to empowering students and viewers alike. Join us in celebrating these inspiring individuals and the tireless work they do to uphold conservative values.
