Turning Point USA Announces Spring 'Live Free Tour' Across College Campuses

The 'Live Free Tour' is visiting college campuses across the nation this spring semester featuring TPUSA Founder and CEO Charlie Kirk and Blexit Founder Candace Owens

PHOENIX, Feb. 6, 2024 — Turning Point USA is empowering college students across America to fight left-wing indoctrination and defend conservative values in the classroom, on the court or field, and online by launching the newest installment of the Live Free Tour in the 2024 spring semester.

"Here we go! Of all the college tours we've done at Turning Point USA, this might be the most excited I've ever been. 2024 is a critical year for a lot of reasons and I know that many young people are tempted to opt out of their political, cultural, and civic lives. We

think we conservatives have the best ideas, the most compelling pitch, and we will have a ton of fun along the way. There's a lot on the line and the stakes couldn't be higher so I know these students will be paying extra close attention to what Candace and I have to say. As always, those who disagree can come to the front of the line as we celebrate free speech, open debate, and the collision of ideas. I can't wait." – Charlie Kirk

This spring, join Charlie Kirk, Candace Owens, and many others who aren't afraid to speak up at the Live Free Tour. TPUSA is taking the conservative message to six student chapters actively engaged in the fight to win the culture war.

The campuses participating in The Live Free Tour include:

March 6	University of North Carolina	Chapel Hill, NC
March 18	San Diego State University	San Diego, CA
March 19	University of Pittsburgh	Pittsburgh, PA
March 27	Texas Tech University	Lubbock, TX
April 3	University of Kansas	Lawrence, KS
May 7	University of Washington	Seattle, WA

Each stop will celebrate conservative values central to restoring the American republic such as freedom of speech, free markets, fiscal responsibility, limited government, personal accountability, the free exchange of ideas, and more.

Tickets for each leg of the Live Free Tour featuring Charlie Kirk or Candace Owens can be claimed at [TPUSA.com/LiveFree](https://www.tpusa.com/livefree).

Each tour stop will also be streamed live and available for free online on both YouTube and Rumble.

About Turning Point USA

Turning Point USA is a 501(c)3 non-profit organization founded in 2012 by Charlie Kirk who was only 19 at the time. The organization's mission is to identify, educate, train, and organize students to promote the principles of freedom, free markets, and limited government. Since its founding, Turning Point USA has embarked on a mission to build the most organized, active, and powerful conservative grassroots activist

network on college campuses across the country. With a presence on over 3,000 college and high school campuses, Turning Point USA is the largest and fastest-growing youth organization in America.
