Turning Point USA Announces Official Collaboration with Freedom2o

*Freedom2o will serve as the official water sponsor for TPUSA's
headquarters and events*

PHOENIX, Apr. 24, 2024 — Turning Point USA is proud to unveil its latest collaboration with Freedom2o, the purveyor of bold, refreshing hydration with a mission deeply rooted in preserving free speech.

At TPUSA, we champion the principles enshrined in the First Amendment of the United States Constitution - the fundamental right to freedom of speech. We wholeheartedly share this mission with Freedom2o, whose purpose aligns seamlessly with our own: to embolden individuals to exercise their voices without fear.

As part of this groundbreaking partnership, Freedom2o will serve as the official water sponsor for TPUSA's headquarters and events, providing employees and attendees with the vital refreshment they need to fuel their passion for freedom and free speech. Expect to see Freedom2o's crisp, pure water flowing at our upcoming events, invigorating participants and symbolizing our collective commitment to liberty.

In selecting Freedom2o as our official water partner, the decision was clear. TPUSA values partnerships with like-minded organizations that prioritize individual liberties and the exchange of diverse viewpoints. Freedom2o's unwavering dedication to promoting open dialogue and protecting free speech makes it the perfect ally in our mission to educate, inspire, and mobilize the next generation of conservative leaders.
