

Turning Point Tonight Premieres on Real America's Voice

TPUSA's Bold New Daily Show with Jobob Airs Weeknights at 10 PM ET

PHOENIX, Mar. 3, 2025 — Turning Point USA is launching *Turning Point Tonight*, a bold, fast-paced daily news show hosted by Jobob delivering sharp analysis of the biggest stories of the day with a healthy serving of Jobob's signature comedic wit. The show will feature exclusive reports from *TPUSA Frontlines*, insights from "Culture Apothecary" host Alex Clark, and must-watch interviews from *The Charlie Kirk Show*.

By blending hard-hitting news with humor and cultural commentary, *Turning Point Tonight* aims to keep audiences informed and engaged with the issues that matter most. Viewers can expect a dynamic mix of in-depth reporting, viral moments, and the signature TPUSA energy that has helped to redefine conservative media and news commentary.

Charlie Kirk, Founder and CEO of Turning Point USA:

“By evening, whether you’re just catching up on the biggest stories of the day, or ready for a whole new take on the news you’ve already heard about, Turning Point Tonight will help audiences cleanse their news media pallets and remember that sometimes it’s best to laugh rather than cry. Turning Point Tonight will cover very serious topics, but the show will also be an outlet for audiences that just need to laugh at liberal hysterics and progressive lunacy. Common sense may be returning to Washington, but the left still offers up plenty of the alternative. Turning Point is incredibly excited for Jobob and the team to navigate you through it all, and we’re very grateful to Real America’s Voice for giving this show a home on its network.”

Premiering on Monday, March 3rd, at 10 PM ET, the show will air weeknights, Monday through Friday, exclusively on Real America’s Voice (RAV). You can watch the trailer [HERE](#).

About Turning Point USA

Turning Point USA is a 501(c)3 non-profit organization founded in 2012 by Charlie Kirk who was only 19 at the time. The organization’s mission is to identify, educate, train, and organize students to promote the principles of freedom, free markets, and limited government. Since its founding, Turning Point USA has embarked on a mission to build the most organized, active, and powerful conservative grassroots activist network on college campuses across the country. With a presence on over 3,500 college and high school campuses, Turning Point USA is the largest and fastest-growing youth organization in America.
