AMERICA'S FUTURE STARTS NOW: TPUSA ANNOUNCES STUDENT ACTION SUMMIT 2025

The Next Generation of Leaders Gather to Shape America's Future

PHOENIX, Mar. 20, 2025 — Turning Point USA is excited to announce the return of its annual Student Action Summit (SAS) on July 11th-13th in Tampa, Florida. This premier gathering of young conservatives will bring together thousands of students and grassroots activists dedicated to shaping the future of America through leadership, courage, and grassroots innovation.

At SAS 2025, attendees will join the movement to reclaim America's future, armed with the knowledge, tools, and connections needed to lead, organize, and advance the conservative message forward on college and high school campuses across the country. This is not just a conference—it's a mission in motion.

Charlie Kirk, Founder and CEO of Turning Point USA:

“The battle for America’s future is happening right now, and young patriots are stepping up to lead. At Turning Point USA’s Student Action Summit, we’re not waiting for change—we are the change. The next wave of founders, creators, and changemakers will be in Tampa this July. If you care about freedom, this is where you need to be. Conservatives have seized the cultural, political, and media momentum, and now it’s time to put our foot on the gas and press forward to even greater heights. There’s lots more work to do.”

Attendees can expect inspiring speeches from top conservative leaders, media personalities, and activists, along with dynamic panels, engaging workshops, and strategic networking opportunities. The three day conference will provide action-oriented training to prepare students for leadership roles in their communities, equipping them with the tools to make a tangible impact. Attendees will experience an electrifying atmosphere of like-minded patriots, all committed to securing America’s future.

The left tried to rewrite America’s story—but they failed. Now, it’s time to write the next great chapter. Join us at SAS 2025 and take your place in history.
