

Turning Point USA Releases Explosive New Four-Part Docuseries: ‘RACE WAR’

Exposing the Left’s Plan to Divide America from Within

PHOENIX, Jun. 19, 2025 — Turning Point USA has officially launched “*Race War*,” a provocative new docuseries that takes direct aim at how the politics of racial grievances have been weaponized in order to fuel further balkanization and ethnic division in America. The four-part series confronts how powerful elites are using Critical Race Theory, Affirmative Action, and DEI mandates to pit Americans against each other and reshape the nation from the inside out.

Featuring compelling commentary from cultural leaders like Dr. Ben Carson, Larry Elder, Dr. James Lindsay, Voddie Baucham, and TPUSA Contributors Pastor John Amanchukwu, Topher, Anthony Watson, and Stephen Davis, *Race War* exposes the ideological battle threatening to collapse the American ideal of *E Pluribus Unum*, out of many, one. The series takes a clear stance: Only by rejecting the false promises of modern leftist racial politics can we restore liberty, truth, and national unity.

Charlie Kirk, Founder and CEO of Turning Point USA:

"This isn't just a culture war—it's an intentional effort to destabilize our country from the inside out. 'Race War' calls out the manipulation, reveals the truth, and invites all Americans to reject the lie of division in favor of a future grounded in unity, justice, and freedom."

Released exclusively on Rumble, "Race War" stands as one of the boldest and most necessary cultural exposés in the conservative movement's history, designed to educate, awaken, and equip Americans to fight back against the left's racialized power grab.

About Turning Point USA

Turning Point USA is a 501(c)3 non-profit organization founded in 2012 by Charlie Kirk who was only 19 at the time. The organization's mission is to identify, educate, train, and organize students to promote the principles of freedom, free markets, and limited government. Since its founding, Turning Point USA has embarked on a mission to build the most organized, active, and powerful conservative grassroots activist network on college campuses across the country. With a presence on over 3,500 college and high school campuses, Turning Point USA is the largest and fastest-growing youth organization in America.
